Case No. 21-cv-05920-RS

STIPULATION AND ORDER  
CONTINUING PRETRIAL CONFERENCE

Trial Date: January 17, 2023

The parties, through counsel, seek leave of the Court to modify the Stipulation and Order Continuing Case Management Deadlines, filed June 7, 2022 (ECF No. 36), as it relates to the pretrial conference and pretrial submission dates.

WHEREAS, the pretrial conference is currently scheduled for December 14, 2022;

WHEREAS, pursuant to the Court's Final Pretrial Conference order, the joint pretrial statement must be filed and the motions in limine and witness and exhibit lists must be exchanged, by December 2, 2022;

WHEREAS, the Court heard argument on Defendants' summary judgment motion on October 27, 2022;

WHEREAS, the summary judgment motion seeks to dispose of all causes of action and defendants;

WHEREAS, even a partial grant of the motion for summary judgment would significantly narrow the issues and/or defendants at trial, potentially making certain evidence, witnesses, and motions in limine moot;

THEREFORE, the parties jointly stipulate to and propose the following modification to the Case Management Schedule:

Action	Current	Proposed
Pretrial conference	December 14, 2022	December 28, 2022, or the soonest date thereafter

The pretrial submissions, including the joint pretrial statement, motions in limine, and witness and exhibit lists, would be due December 16, 2022. The oppositions to the motions in limine, proposed jury instructions, voir dire, and verdict forms would be due December 23, 2022.
